Mumbai, India

## EXPERIENCE

### Crisfood, Data Analyst

January 2023 - PRESENT

Increased delivery efficiency by 20% and boosted customer satisfaction ratings by 15% by tracking and analyzing key performance indicators (KPIs) such as delivery times, order accuracy, and customer feedback to identify and address areas for improvement.

### Tiranga Textiles, Data Analyst Intern

August 2022 -December 2022

Built a data pipeline to store and stream data for analysis. Designed a personalized dashboard with various KPIs. Implemented Machine Learning for production prediction.

## EDUCATION

### Masters in Data Science, Karmaveer Bhaurao Patil College, Navi Mumbai — CGPA – 7.97

YEAR 2022 - YEAR 2024

### Bachelor in Information Technology, BNN College, Mumbai — CGPA - 8.93

YEAR 2019 - YEAR 2022

## PROJECTS

### UrGPT — *PyTorch, HuggingFace, ChromaDb, Langchain, React, Django*

- Developed a private GPT utilizing open-source LLMs.
- Quantization of open-source models to fit in the resources.
- Implemented innovative features such as Document Question Answering, Coding Assistance, General QA.
- Maintain chat sessions in DB & respective contexts in buffer memory.

### FragAbs — *Tensorflow, Scikit Learn, React, Django, GCP*

- Aim to solve a problem faced by many students and researchers while working with research papers.
- Developed a deep-learning model that classifies the abstract of the paper into BACKGROUND, OBJECTIVE, METHODS, RESULTS, and CONCLUSION.

## SKILLS

**Languages:** Python, SQL

**Tools:** Power BI, Tableau, RapidMiner, JMP

**Frameworks:** Tensorflow, PyTorch, Scikit Learn, Streamlit, MLFlow, HuggingFace, Wandb

## AWARDS

**Gits Hackathon 2.0:** Obtained Second Prize at National Level Hackathon organized by Datta Meghe College Engineering. [View](#)

**Syntechxathon:** Participated in Hackathon organized by RD National College. [View](#)

## EXTRACURRICULAR

- Writer on Medium
- Google Developer Student Club Member
- Community Service

## SOFT SKILLS

- Critical Thinking
- Collaborative Working
- Problem Solving
- Public Speaking
